THE MASCI FAMILY

Founded in 1968 by Francis Masci, *Masci Hair and Spa* originated as a hairdressing business in North Carlton, Melbourne. Today Masci have two locations - a hair salon in Malvern East and a hair salon and day spa in Eltham.

The Masci ethos is about celebrating individuality, having fun and not taking life too seriously.

One thing we are serious about is creating outstanding experiences for our clients and offering the very best hair and spa services in our industry.

THE SILVANO RANGE

Silvano was Fran Masci's older brother. He was an adventurous boy who loved people and was well loved. He cared deeply for the elderly, and went out of his way to help them where he could. He had an old soul and was tragically taken far too young.

His kindness and empathy is deeply missed, but not in any way forgotten; thus making him the muse for the Silvano collection of products.

Following in the footsteps of Silvano, this brand is dedicated to giving to others and spreading love. All Silvano products are cruelty free, vegan/vegetarian, palm-oil free, and made in Australia.

10% of proceeds from the sale of Silvano organic products go directly to the Salesian Sisters orphanages and schools in Africa, providing young women with life changing food, shelter and education.
